CARBON 12 is pleased to return to Art Dubai for its 14th consecutive year with a booth featuring works of **Sarah Almehairi, Bernhard Buhmann, Gil Heitor Cortesão, Monika Grabuschnigg, Amir Khojasteh, Nour Malas, Philip Mueller, Anthony Olubunmi Akinbola and Michael Sailstorfer.**

This year's booth will feature a mural painted by Philip Mueller. A swarm of blue bees will be floating around the allocated space. The mural will be an ode to the intellectual and spiritual meaning of bees in which they fly into the light and, as messengers of the muses, give people song and eloquence, a symbol of hope.
